SCOTT MORRISON

Pioneering Cardio-Diabetic Solutions for a Healthier Tomorrow

Scott Morrison is a dedicated healthcare division of Hacks & Slacks Healthcare, established with a singular focus: to deliver advanced, reliable, and patient-centric solutions in the fields of cardiac and diabetic care. In response to the rising global burden of lifestyle-related diseases, Scott Morrison is committed to driving innovation and excellence in these critical therapeutic areas.

Built on a Legacy of Trust and Innovation

As part of Hacks & Slacks Healthcare—a brand known for its leadership in dermatology and cosmetology—Scott Morrison inherits a strong foundation of trust, scientific rigor, and uncompromising quality. Leveraging the parent company's legacy, we bring the same standards of excellence into the cardio-diabetic segment, ensuring that every product we offer meets global benchmarks for safety, efficacy, and reliability.

Our Mission

To empower healthcare professionals and patients by providing cutting-edge therapies for cardiac and diabetic conditions, enabling healthier, longer, and more fulfilling lives. We are guided by a core philosophy of ethical practices, continuous improvement, and patient-first innovation.

What We Offer

We provide a comprehensive and evolving portfolio that covers the full spectrum of cardio-diabetic needs:

Dosage Forms: Tablets, Capsules, Injections, Sachets, Syrups, Nasal Sprays, Rotocaps, and more.

Product Range: A premium basket of 380+ high-quality formulations, with several new launches in development.

Our offerings are designed to support not only treatment but also disease management and improved patient compliance.

Manufacturing Excellence

Our products are developed and manufactured in collaboration with some of the most trusted names in pharmaceutical manufacturing:

**Akums Drugs & Pharmaceuticals | Theon Pharma | Swiss Garnier | Windlas Biotech
Synokem Pharmaceuticals | Sava Healthcare | Ravenbhel Healthcare**

These partnerships ensure that our therapies are produced under stringent quality control and internationally certified facilities, enabling us to consistently deliver premium, effective, and safe solutions.
